CHAMBER ADMIN:

- Chamber administrative functions are outsourced to VisABILITY, located at 443 Main St. Under this arrangement VisABILITY provides office, meeting and storage space, computers and office equipment and as-needed parttime services of 3 people. The staff maintains Chamber files and databases and provides administrative support to Chamber officers, committees and programs. Each month this staff responds to hundreds of mail, email and phone inquiries about Lyons. By outsourcing administrative functions, at a cost of approximately \$15,000 annually, the Chamber is able to operate without an executive director or other staff.

CHAMBER FINANCES:

- The Chamber fiscal year is June 1 to May 31. Annual fiscal year revenue averages about \$40,000 with annual expense at about the same level. On average, member dues produce about \$30,000. The Chamber beer tent at the Annual Good Old Days has produced additional net revenue that ranged from \$3,000 to \$9,000 in recent years. The Chamber books are reviewed and validated by Brock & Company, a Longmont CPA firm.

BUSINESS MENTORING:

- The Chamber is committed to the concept of Economic Gardening. Briefly stated, economic development initiatives traditionally incorporate recruitment of new companies to a community. Economic Gardening uses an entirely different and more modern strategy. It recognizes that the most efficient and productive approach is to help existing companies become more stable and successful. Lyons Economic Gardening Group (LEGG), a committee of the Chamber, is committed to mentoring relationships

MEMBERS' MARKETING BENEFITS include:

MEMBERS' NETWORKING BENEFITS include:

- two-hour monthly networking Socials for fellow Members hosted by a Chamber Member or group of Members. Typically beginning at 5:30 PM at a Member's place of business, Chamber Socials feature plenty of food and drink and usually attract from 60 to 100 attendees. Chamber Socials provide the best way for a group of community and business leaders to enjoy each other's company, to be updated on Chamber and community issues, to learn about the activities of other Members - and to informally share information about their own business or organization. All Socials are "Zero Waste" events.
